

TRANSPORT SERVICE

Overview of School Transport Service

Our school transport service is designed to offer students a safe, reliable, and comfortable commuting experience. With a strong emphasis on environmental responsibility, child safety, and attentive care, we ensure that every journey reflects our commitment to excellence.

Environmentally Responsible Fleet

- All vehicles are **Bharat Emission Standard compliant**, supporting cleaner air and reduced pollution.
- Each vehicle holds a valid **PUC (Pollution Under Control) certificate**, ensuring emissions remain within safe limits.

Safety & Monitoring

- **CCTV cameras** are installed in every vehicle to provide continuous surveillance and enhance student security.
- A **GPS tracking system** allows real-time monitoring of vehicle location, offering transparency and peace of mind to parents and school staff.

Emergency Readiness

- All vehicles are equipped with **first aid kits** and **fire extinguishers**, ensuring preparedness for minor medical needs and fire-related emergencies.

Special Care for Young Children

- A dedicated **lady attendant** accompanies pre-primary students, providing supervision, emotional comfort, and assistance throughout the journey.

Transport Service Coverage Across Key Regions

- **Kolkata** – Extensive coverage across most localities
- **Howrah** – Service available in selected areas
- **North & South 24 Parganas** – Extensive coverage across major zones
- **Salt Lake** – Service provided in most neighbourhoods
- **Rajarhat & Newtown** – Broad coverage across key regions

Disclaimer

While the school strives to maintain punctuality and ensure the safety of all children, unforeseen factors such as traffic, road conditions, and the behavior of external vehicles may occasionally impact service delivery. The school cannot guarantee exact timings or uninterrupted safety under such circumstances

Bharat Emission Standard compliant
